By signing this form I agree to the following:

1: Health And Safety

That the named child participates entirely at their own risk.

That the named child has read and understood the supporting document included with this form and agrees to abide by the Apocalypse Airsoft site rules and the directions of the marshals at all times.

That the named child agrees to wear correct safety equipment as outlined in the supporting document at all times when in areas of active game play.

That any injury caused to the named child as a result of not wearing appropriate safety equipment, acting in an unsafe manner on the site or directly ignoring the directions of the marshals is deemed to be entirely their own fault.

That the named child understands that the site is woodland based and agrees to pay due care and attention to their surroundings at all times to minimise the risk of injury to themselves or others.

That I have disclosed above any health conditions and or allergies that the named child has and that none of the conditions or allergies mentioned affect them in any way that could impact their safety or the safety of anyone else during the event.

That any damage to personal belongings during the event is not the responsibility of Apocalypse Airsoft.

That if the named child is removed from the gaming area for any reason and it is deemed by the marshals that they are not allowed to return, upon contact from the Apocalypse Airsoft team I will immediately collect them. (Please note no refunds will be given if your child's conduct results in their removal from the game)

That I or another person over 18 will be on site at 4:30pm to collect the named child.

2: Photography

That during the day onsite photographers commissioned by Apocalypse Airsoft may take photographs and videos of the named child and that this media may be used for the promotion of Apocalypse Airsoft both in print form for promotional material such as flyers as well as being posted on their public social media accounts.

That individual players are allowed to take photos during the day which could contain the named child and that Airsoft Apocalypse takes no responsibility for where individuals may post media.

3: Emergencies

That if the named child is injured during the event I consent to the administration of first aid by a qualified Apocalypse airsoft marshall.

That I consent to a qualified Apocalypse Airsoft marshall administering any medication disclosed on this form as being on the named child's person if they suffer a medical episode during the event and are unable to administer it themselves (Such as insulin, Epipens and inhalers)

That if it is decided by the marshalls that the named child requires urgent medical attention I consent to the calling of the emergency services to assist and take over care of the named child including if required transfer to hospital.

That if there is a fire on site and the Airsoft Apocalypse marshalls deem the designated fire safety points on site to be unsuitable for any reason I consent to the named child being taken to another point of safety off site.

I confirm that I have read and understand the entirety of this consent form and agree to all points mentioned within it.
